

TRAIL'S END INN

WELCOMES YOU AND YOUR PUP TO THE INN

While at the Inn, we ask you to do a few things for us:

1. We allow dogs in the two-room suites/ all cottages and the Esther Room. Dogs are not allowed in the common areas in the Inn. We charge \$20 a day for a dog.
2. Dog must be house broken. Please pick up after your dog.
3. Dogs must be current on all shots and immunizations.
4. While outside dogs are to **always be on a leash and with someone.**
4. The dog can be left alone, **only if your dog does not bark** and you have brought a kennel and put the dog in it while you are out.
5. Please don't bring your dog through the interior halls of the Inn, use the outside stairs, or door as the case may be, to take your dog in and out of the room.
6. Not all our guests are as dog-crazy as Dave and I. Please do not bring your dog into the common areas of the Inn, including the front porch.
7. Please use the "doggy towels" provided to wipe off your dog's feet and fur (if they get wet/muddy).
8. Please don't allow you dog on the furniture or beds in the room.
9. **No barking is allowed** (by guests or dogs).
10. We know that your dog is an "angel" and would never do anything that it shouldn't, but if perchance the unimaginable happens – let us know what it is.
11. Any damage done by your dog will be charged to you. If your dog relieves itself inside, you will be charged extra for the clean up. The minimum charge for any damage or clean up is \$50.

If the rules are not followed after being notified of failing to follow the rules, a guest may be required to leave before the stay is up. Not refund will be made for requiring a guest to leave for failing to follow the rules.

We look forward to having you and your pup here!
